

SPRING 2015

Expect the Unexpected

DURHAM WEST STUDIO TOUR

APRIL 25th-26th, 10:00am - 5:00pm

DURHAM WEST ARTS CENTRE

WELCOME

The Durham Region continues to nurture a vibrant and diverse arts community. The Durham West Studio Tour provides an ideal opportunity to see dynamic artists and their work in unique local settings amongst the buds and blooms of the Spring season. This free, self-guided tour is a virtual treasure hunt as you plan your route and enjoy behind the scene views of the art making while sharing creative space and processes. We are especially pleased to welcome additional artists who are joining the Tour for the first time as well as many returning artists who work in everything from painting to pottery, stained glass, jewelry, photography, recycled assemblage and sculpture to name a few. Purchase original artwork directly from our local artists and their invited guests. In addition, by visiting each studio, visitors may also participate in a draw for handmade prizes and gift certificates. We are honoured to receive the support of local restaurants, shops, services, and local representatives and organizations and thank them for their patronage. When you visit them, please mention you are 'on the Tour'. There is a wealth of creativity and talent waiting to be discovered in Durham, truly representing our claim to "expect the unexpected"! DURHAM WEST
**ARTS
CENTRE**

Our Pottery and Art Studio location at the Pickering Recreation Centre continues to be a great place for all ages to follow their creative spirit. This venture has enabled DWAC the opportunity to teach, interact and engage with the community.

It is also the home and office of DWAC Inc., providing us with a central hub from which to continue to build and promote the idea of an arts centre in the City of Pickering.
