The Durham West Arts Centre exists to create, manage, and operate a centre for the advancement and promotion of artistic disciplines, and related activities throughout the community, for the benefit of the residents of the Regional Municipality of Durham, and the Province of Ontario.

Do you have what it takes to be a DWAC Cyber Gallery Featured Artist?

- Six artists each year will be featured on our website and of them, the majority will be residents of Durham, members of the Durham West Arts Centre or the PineRidge Arts Council.
- Images of their work will be on display for a minimum of one year.
- Artists may make up to three substitutions for works that are sold during the year.

Artists will provide DWAC with a CD containing the following:

- Artist's name, phone number, address, e-mail and website (where possible) and a short bio (max. 150 words). We use a PC, and can open Microsoft Word 2000 or WordPerfect 8 files.
- Up to 20 digital images (jpegs or tiffs) of their work (the selection committee will choose no more than 12 for the website).
- The title (if any), medium and size of each piece of art.
- A digital (jpeg or tiff) portrait of the artist.
- For artists who exhibit on the Cyber Gallery, there will be a non-refundable \$100 listing fee.

Details for digital photographs of artwork included on CD:

- Please be sure the work is in focus, not distorted and with no visible reflections.
- Please crop images so just the piece is showing; do not include the frame or any background.
- Images will be available on the website at a maximum of 72 dpi and no larger than 600 x 500 pixels. Images that are given at a larger size will be resized in Photoshop. If you want to show detail/texture, potential buyers can go to your website to see larger images.
- DWAC will endeavour to show your work as close to files presented, but as monitors reproduce colour differently, it will not be exact.

DWAC is not an agent and will not charge artists a commission on any sales.

- *The Artist will deal directly with the Buyer and be responsible for collecting fees, shipping, insurance and paying any taxes.*
- *The Buyer will deal directly with the Artist and all contracts will be between the Buyer and the Artist.*
