CAMP STAFF

Our camp staff are qualified art educators instructing and supervising children and bring a varied range of expertise to engage and nurture the creative spirit in each and every one of our campers.

We are confident that your child will enjoy their creative clay camp experience and we look forward to & welcome the responsibility in leading them through this creative, enjoyable, and rewarding hands-on process.

WHY CREATIVE CLAY CAMP?

The experience of learning and exploring the art of clay through individual discovery, with fun filled activities and inspiring hands-on learning is a rewarding opportunity for all youth.

The life long tangible benefits of creating in an arts environment include: developing self-confidence & self-esteem, improving awareness & observation skills, building creativity & innovation, making intellectual & social connections, plus learning to set goals and problem solve using multiple solutions.
